

Hillgrove High School Library Donation Policy

Collection development in any library depends on the thoughtful selection and acquisition of materials and on gifts of books, periodicals, other library material, and money. The Hillgrove Library welcomes such gifts providing they support our mission and our stakeholders.

Upon receipt, donations become the possession of the Hillgrove Library. As owner, the library has the right to determine retention, location, circulation, and all other considerations relating to disposition.

If you have any questions please contact us. Would you like to make a donation? Stop in anytime. We appreciate your support!
